I'm Charles, founder of Bespoke Web Design.

If you're looking to upgrade your logo, branding, website, or social media content — we offer a simple all-in-one solution built to help your business look professional and generate more leads.

Book a quick call with me and let's see if we're the right fit to support your business and take the marketing off your plate.

Our small team is consistent of 5-star reviews on Google and Facebook, and we're currently focused on helping trades businesses grow — including plumbers, electricians, HVAC, roofers, as well as other service-based industries like clinics and local businesses.

No pressure — just a straightforward conversation about where your business is now and how we can help.

(create a placeholder for an image, I plan to have my photo with a laptop on an office setting, will follow later)

Then 3 buttons, dont want calls for now as im getting lots of spam, dont show my number just buttons to open sms, whats app, or book

Button 1 Txt button : links to 780-263-8028

button 2 Whatsapp : links to 780-263-8028

button3 Booking link: : <https://calendly.com/arjiv28/30min?month=2026-05>

Delete other pages, and let's make it a simple landing, page, once done well review and see, then add other stuff, but this might work better.. So let's stick with the white background like bluecollar, and blue as thats also bespoke color, they wont really care as they are bigger , we can optimize later
